

Learner Support

Many students find that our Learner Support services help them succeed with their studies in Higher Education

Services include:

- ◆ Study skills support – on a group or individual basis
- ◆ Maths support – on a group or individual basis
- ◆ A dyslexia screening and assessment service
- ◆ Support and individual sessions for students with dyslexia (and other specific learning differences)
- ◆ Advice and support for students with disabilities, including guidance on the use of assistive technologies

Developments:

- ◆ On-line study skills resources
- ◆ Specialist software and equipment for students
- ◆ On-line resources for students with disabilities
- ◆ Resources for students on placement with a disability
- ◆ Guidance for tutors to enable them to support students' needs more effectively
