HESA – Student Collection Notice

It is essential to note that the below is an extract from the full document available to read in full at all times at www.hesa.ac.uk/fpn.

Every year your provider will send some of the information it holds about you to HESA ("your HESA information"). HESA is the official source of data about UK universities, higher education colleges, alternative HE providers, and recognised higher education courses taught at further education institutions in Wales. HESA is a registered charity and operates on a not-for-profit basis. All uses of HESA information must comply with the General Data Protection Regulation (GDPR) and the Data Protection Act 2018. Data submitted to HESA by your provider includes details about the course you are studying and any qualifications awarded to you during the academic year. It also includes personal details about you such as your name and date of birth, your prior qualifications, and where you lived before starting your course. Information about your disability status, ethnicity, sexual orientation, gender reassignment or religion is classed as 'Special categories of data' under the GDPR. If your Provider provides this information to HESA it will be included in your HESA information. This information is necessary for monitoring equality of opportunity and eliminating unlawful discrimination in accordance with the Equality Act 2010 and Section 75 of the Northern Ireland Act 1998. This information will also be processed for statistics and statistical research where this is necessary and in the public interest. Your sensitive information will not be used to make decisions about you. Some other information is used to enable research into the provision of fair access to higher education, for example information as to whether you are a care leaver. If your provider is in England your HESA information may include details of any financial support you may receive from your higher education provider. A full list of data items that may be included in your HESA information for the 2018/19 academic year can be found here: www.hesa.ac.uk/collection/c18051/. Please note that not all data items are collected for all students. HESA processes your information for specific purposes listed at: www.hesa.ac.uk/fpn.

Your provider will hold your contact details after you graduate in order for you to be contacted to complete the [Graduate Outcomes Survey](#). Your contact details will be passed to HESA and the organisation(s) contracted by HESA to assist it to undertake the Graduate Outcomes survey. HESA's contractors will only use your contact details for the survey and will delete them when the survey is closed. HESA may hold your contact details for further graduate outcome surveys where these are in the public interest. Your responses to the Graduate Outcomes survey will be made available to your provider. You have the right to be informed about how your personal data is used.

This Student Collection Notice is regularly reviewed to ensure that it accurately describes how your HESA information is used. This notice may be updated from time to time, for example when new legislation is enacted, or when new policies are implemented by the public authorities listed under Purpose 1. The most up to date version can always be found at www.hesa.ac.uk/fpn. For further information about data protection, including contact details for HESA and HESA Services' Data Protection Officer, please see www.hesa.ac.uk/dataprot. Under the GDPR you have the right of access to your personal information and rights to rectify inaccurate information; restrict processing; and object to processing. These rights are limited in certain circumstances by the GDPR and the Data Protection Act 2018 where data is only processed

for research and statistical purposes. If you think there is a problem with the way HESA is handling your data, you have the right to complain to the Information Commissioner's Office: ico.org.uk/.

I agree and accept that the contract between I, the student named on this enrolment form, and the service provider, Harper Adams University, will be legally binding.

This Agreement is governed by the law of England and Wales, and is subject to the non-exclusive jurisdiction of the courts of England and Wales.

If you have any questions about this enrolment agreement, please contact studentrecords@harper-adams.ac.uk.

By signing below, I agree to the terms and conditions and I agree to the University's processing of my personal and special category information, as set out above. I agree to relevant information including assessment results being shared by the University with a third party, if that third party has provided my training.

I understand that if I do not submit work for assessment within any 15 month period, Harper Adams University retains the right to withdraw my registration.
