I confirm that the details entered on the enrolment form are true and accurate in all respects and I agree to comply at all times with all the University's rules and regulations as set out in the current University Regulations. (These are detailed in the Key Information Page which is available at <http://www.harper-adams.ac.uk/applicants/key-info/> and are updated each academic year.) I understand that it is my responsibility to ensure that I am aware of the regulations if my enrolment spans multiple academic years.

I note that the surname and forename(s) taken from the enrolment form and agreed by myself as correct, will be those used on my final award certificate and transcript and other University documentation.

I confirm that the information provided by me to the University is complete, accurate and true and that nothing has changed since the date of my application which would require an amendment to that information.

I confirm that I am personally liable and responsible to pay the annual tuition fees and other charges for my studies in accordance with the University Regulations notwithstanding any arrangement I may have with sponsors and/or Student Finance* and/or Student Loans Company (SLC) to pay the tuition fees and other charges. The University reserves the right to increase fees each year in line with inflation for continuing students. Where any increase is applied, it will be in line with Government guidance and students will be informed when increases are known. I acknowledge that on submitting this form I will have an obligation to pay. In the event that my sponsor, Student Finance* or SLC refuses to pay all or part of my tuition fees and other charges, I agree to pay any shortfall between the amount paid by my sponsor, Student Finance* or SLC and the total amount of fees due to the University. I accept that failure to adhere to the above may result in my exclusion from the University within the meaning of the University Regulations.

I accept that in the event that I choose to voluntarily and permanently withdraw from the University, I remain personally liable and responsible for paying, or arranging payment by my sponsor, SLC or Student Finance*, all outstanding fees and charges. A student's liability is assessed in relation to their date of withdrawal, as determined in accordance with the rules outlined in the University Regulations for the current academic year.
